

## **King's Arms Theatre LX Tech Spec**

4 x Dove systems 4 way dimmers. (16 channels in total - see note below)

- One rigged in each corner of the space, currently three channels are not working, so 13 channels in total, spread evenly around the room.

Zero 88 Jester lighting control desk (24 channels, programmable).

10 x Selecon Acclaim 500W fresnels (standard set up = cold/ warm wash, backlight and front light)

1 x Source 4 Junior profile

- We have a very small extra lantern stock of par cans, profiles and fresnels. If you require something not listed above, do ask as we may have something in stock we can use. However, please note that any more specific requests may need to be hired in at the companies expense.

Various gels - if you require something specific, please check with us that we have it in stock.

Various lengths of TRS, grelcos and DMX.
